Our Journey
Hello,

We are pleased to meet you through this letter. We cannot even begin to imagine what you must be feeling, thinking, and experiencing during this season of your life. Please know that we are praying for you and this child daily. As you read this letter, we hope you will get a glimpse of who we are as a family.

Our names are Jeremy and Tina. We have three boys named Lucas, Teagan, and Kaden. We have been happily married for fourteen years, our love continues to grow for each other through lives journeys. Tina is a stay at home mom who owns a preschool. She loves being a mom and has enjoyed teaching for the past sixteen years. Jeremy works in the electrical industry and runs his own business. The best part of owning his own business is having the flexibility to be at each of his children's special events.

Our extended families all live close by, which makes getting together often fun and easy. We enjoy spending lots of time having dinners, camping, four wheeling, boating, sledding, playing games, movie nights, and lots of cousin fun. Jeremy is an amazing, loving, hardworking, spiritual person who always wants to make sure everyone is happy and taken care of. He enjoys woodworking, the outdoors, four wheeling, flying model airplanes, and can play a tough game of badminton.

Tina is a loving, compassionate, hardworking person who enjoys working with children and always wants what is best for her family. She enjoys crafting, scrap-booking, cooking, coaching soccer and volunteering at the local school.

As a family, we are passionate about the outdoors. We love to spend time camping, hiking, four wheeling, kayaking, boating, snowshoeing, and roasting hot dogs over a campfire. We also enjoy playing yard games, gardening, and having a good laugh together.

Lucas, Teagan, and Kaden are each kindhearted, smart, caring boys. They spend their time playing soccer, riding bikes, going to school, listening to music, playing instruments, and playing outside. They each have been praying for another sibling for several years.

We feel like our family is incomplete. We have been unable to have a successful pregnancy for four years. We feel guided to bring a child into our family through the gift of adoption. We are both honored and excited to be adopting. Kaden cannot wait to be a big brother!

We hope our thoughts and prayers for you and this child will bless your lives and bring you peace and comfort. Our family would be blessed to meet you and this little one and if you so choose, we would be honored to be a part of this journey with you.

With Love,

Jeremy & Tina

Jeremy and Tina both volunteer at our Church.
We built our home seven years ago and did a lot of work on it ourselves. It was a big project with lots of fun memories; it has made us really appreciate and enjoy our home. Jeremy also built our swing set complete with a playhouse, swings, pea gravel pit, and rock wall.
Hard!

The boys are always helping with everything from yard work to cooking meals and treats.

Projects with Dad and cooking with Mom are their favorites.

We all worked hard to put our yard in. It has a pond-less waterfall, bike path, large grassy area, garden, small soccer field and basketball hoop. We have lots of fun in it!
We love to cook hot dogs and s'mores in our fire pit out back. We also enjoy jumping on the trampoline and playing yard games like Croque, Bocce Ball and Badminton. When we are inside we enjoy movie nights and board games.
We are blessed to have hiking trails close to our home.
We live where we get to enjoy the four seasons, with a lot of snow in the winter.
We enjoy snowshoeing and sledding. Our favorite sledding hill is in Grammy and Papa’s backyard. They live just up the road from us.
In the summer, we enjoy spending time in the mountains and at the lake. We like hiking, kayaking, boating, four wheeling, camping and fishing at our Grammy's family cabin. At the cabin we get to spend time with lots of cousins and extended family. We have many memories through generations at the cabin.
We live in a small, rural town where we enjoy the mountains and wildlife in our own backyard. The lake is only minutes from our home.
We are part of a wonderful community with lots of family and friends close by. We have parks and schools within minutes of our home.
We absolutely love to celebrate the holidays! Delicious meals are served on china dishes; there are lots of decorations and fun traditions.

One of our favorite traditions is a Nerf Gun game at Grammy and Papa's house; that we call "The Turkey Shoot."
We celebrate everything from being thankful at Thanksgiving to remembering our Savior during Easter and Christmas to leprechaun traps, April Fool's day craziness and Halloween fun. We also love to party it up on birthdays!

The big cousin gift exchange and talent show at Nana and Grandpa's house is a family favorite at Christmas time.
We do our best to always look at the positive and spend as much time together as possible.

"Life isn’t about waiting for the storms to pass, but about learning to dance in the rain!"
Always watching out for each other and playing together.

They are so excited to add another to their snuggles and silliness.
Play time with cousins is the best! We celebrate many things with both Jeremy and Tina’s families. The annual family pirate campout is an event we look forward to every year.
