

**Ebrahim
& Kathryn**

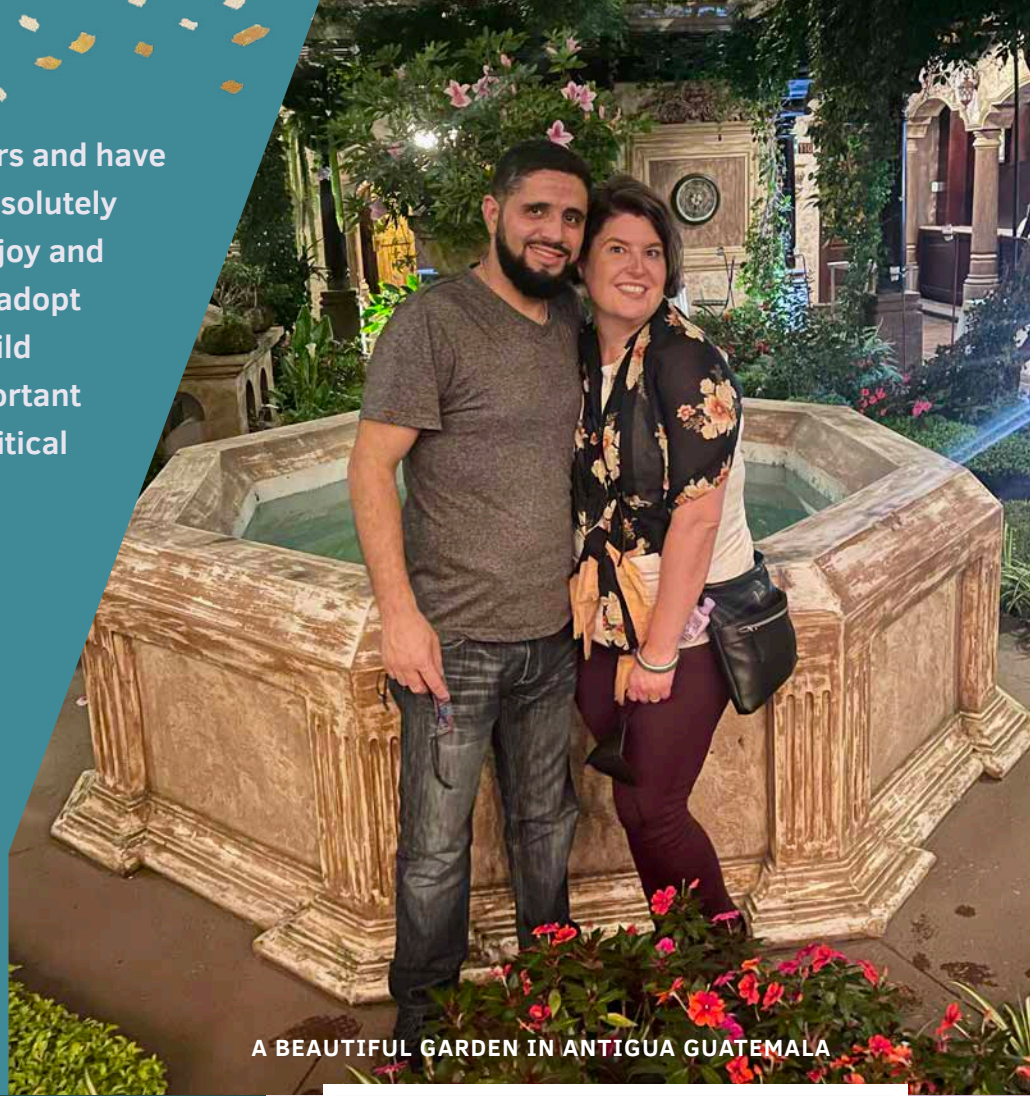

**Hello, we are
Kathryn and
Ebrahim from
Atlanta, Georgia.**

We live in a great and
culturally diverse
neighborhood. Our home is full of
laughter, kindness, joy and love.

We have been married for eight years and have always wanted to be parents. We absolutely love children and have a lot of love, joy and knowledge to share. We decided to adopt because we are unable to have a child biologically. We do not feel it is important that a child be biological, but it is critical that our child always feels loved, nurtured and accepted as a part of our family. We hope to provide that stability and love for your child.

We are incredibly grateful and we thank you for taking the time to get to know us.

Our Story

Ebrahim and Kathryn met over twelve years ago in a restaurant in Atlanta. It was love at first sight for the both of them. Ebrahim was out celebrating his citizenship into America that evening. Kathryn saw Ebrahim from across the restaurant and thought he was so handsome. She went up and started talking with Ebrahim and congratulated him. He too thought she was beautiful and they quickly formed an incredible friendship before seriously dating.

About Kathryn

WRITTEN BY EBRAHIM

“Kathryn will make a wonderful mother because she is caring, nurturing, kindhearted and organized.”

She has the biggest heart and will go above and beyond for her family and loved ones. Kathryn also has a great Faith in God. She loves to cook and bake, and everything she makes is always delicious. She enjoys baking cakes and cookies with our friends’ children, as well as our nieces and nephews. Her favorite part is watching them get creative while decorating, she is so calm and patient when it comes to children. Kathryn also really enjoys gardening and having her godsons help her plant flowers. **I know Kathryn can’t wait to do all of these things and many more with our child one day.**

Our Home & Community

We live in a spacious home in Atlanta.

Our screened in porch has to be both of our favorite spots in the house. It's a great place to hang out and relax. We live in a large neighborhood that has a swimming pool, tennis courts and a BIG playground.

Meet Honey

You can always find her snuggled up in a warm fuzzy blanket, or cuddled up all comfy in a lap.

We live in a beautiful home with lots of wonderful parks, all within walking distance. A lot of them even have wonderful walking trails, which are some of our favorite places. It's important to us, as we raise a child, that they see and be exposed to a diverse culture and community. **We love Atlanta and all that it has to offer.**

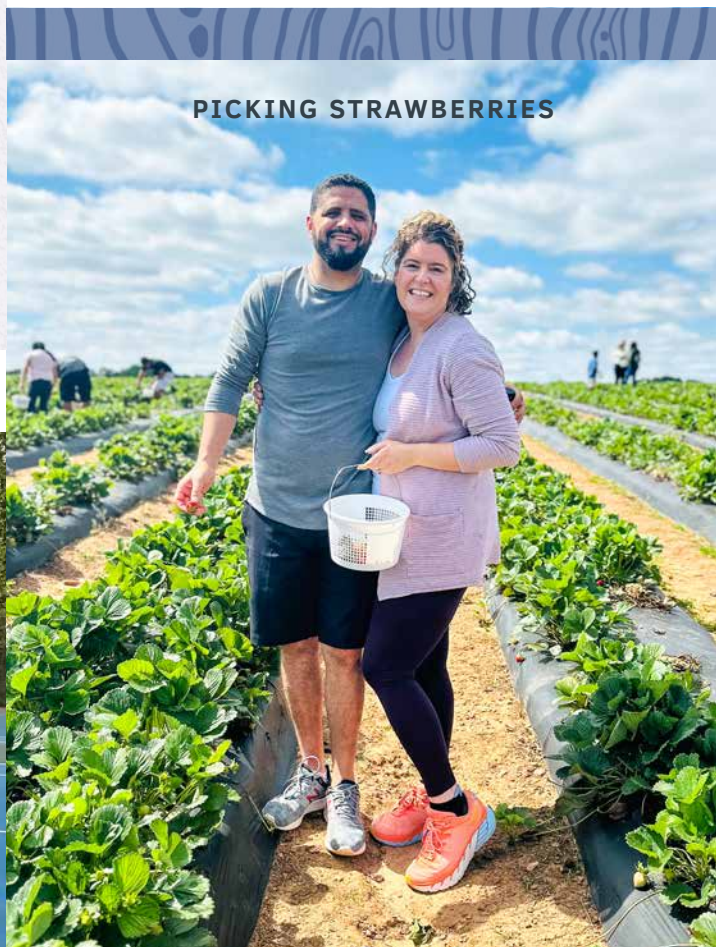

We enjoy going to farmers markets throughout the city and supporting local businesses. We also enjoy going to different food and art festivals in our area.

Every year our neighborhood does a big 4th of July Firework festival. It has food trucks, a DJ and lots of games for the children.

Kathryn's family lives in Ohio and Michigan and Ebrahim's family lives in Iran.

We visit Kathryn's family in both Ohio and Michigan a couple times a year, they also come to visit us throughout the year. Ebrahim and Kathryn visited Turkey to meet his family a few years ago and had an amazing time together. Ebrahim and Kathryn talk with Ebrahim's

family about twice a week through FaceTime. Kathryn talks with her family multiple times a week, and they have a family text thread that is constantly going. Kathryn has three sisters and Ebrahim has three brothers.

Kathryn's family is very close and everyone is super supportive of one another.

At family gatherings there is lots of wonderful cooking, with everyone helping in the kitchen and the nieces and nephews entertaining. Stories are told

amongst Kathryn's sisters and there is always lots of laughter. After dinner comes game time where we all play cards or board games, this is centered around more laughter.

Ebrahim's family is very loving, hardworking, caring, and supportive. Everyone sits together around the table and enjoys a delicious meal, afterward comes the traditional Persian dancing for hours. It's always a wonderful time! There is a lot of love and laughter in our families.
